DETAILED ACTION

The present title of the invention is "Rendering a Pencil-Sketch Image".

Claims 1-30 are pending in this application. Claims 1, 11, and 21 are independent claims.

Allowable Subject Matter

1. Claims 1-30 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Prior art references do not anticipate or suggest the limitation "wherein the substantial continuity is determined based on at least one of tangents to the pencil-sketch markings in the selected tiles and approximations of derivatives of the pencil-sketch markings in the selected tiles, the approximation being obtained by wrapping the pencil sketch marking in the selected tiles around edges of the selected tiles" in combination with the other claim limitations in claims 1, 11 and 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
